<b>Deliverable nr</b>	D3.5
<b>Dissemination level</b>	Public
<b>Partner name</b>	BoRAEM
<b>Work Package</b>	WP 3: Networking
<b>Country</b>	Bulgaria
<b>Region</b>	Bourgas
<b>Are there existing filling stations and natural gas and biogas driven cars already in the region?</b>	Yes

BORAEM

**Deliverable 3.5****REGIONAL NETWORK PLAN**

	<b>Item</b>	<b>When</b>	<b>Outcome</b>
1	Organise a Regional network meeting	March 2009	Acquiring more members and more homogenous structure of the Regional network, planning of common activities
2	Ensure news worthy items are identified and distribute through press releases and e-newsletters distribute	Continuous process	Increased awareness of CNG / NGV/ Methane and the project.
3	Visit the two environmental inspectorates in the region for discussing attitudes and opportunities for influencing the parties concerned – 1 towards transition to CNG in public transport, and 2 for utilising organic waste into biogas.	April 2009	Clarity on the position of the environmental authorities on the subject, raised willingness to participate, understanding on the key factors and bottlenecks.
4	Participate in the round trip throughout Bulgaria on 18 – 24 May for advertising the efficiency of the “blue fuel” organized by the Bulgarian Natural Gas Vehicle Association (BNGVA).	May 2009	Popularisation of MADAGASCAR project, strengthening of the Regional network
5	Participate in the seminar on natural gas and transport, organized by the Varna Technical University	May 2009	Promotion of the project, issuing of common memorandum to policy makers for introducing adequate public policy measures for strengthening of the CNG/biogas market
6	Take part /distribute materials/ in the international conference “Exploration and utilization of natural gas in Bulgaria”	May 2009	Meeting key actors in Bulgaria related to the natural gas issues, obtaining understanding for the tendencies related, lobbying for policies promoting biogas production
7	Organise Regional network members visit to an existing biogas installation	June 2009	Review of the policy environment that influences the development of biogas production
8	Organise a visit to the CNG gas filling stations of the region for distribution of printed materials – with partners from the Network.	July 2009	Raising the publicity and public attention on the CNG and opportunities for biogas utilisation
9	Organise a regional meeting of companies providing equipment for biogas production with potential producers of biogas	July 2009	Encourage potential producers of biogas
